

## The Lansdowne Club

### **DRESS CODE (Rule 23)**

Members are responsible for the dress of their guest(s) at all times and in all public areas.

The dress code for different areas of the Club may change from time to time as determined by Council. Information about the Dress code is displayed below and may change periodically, as determined by Council. Members are responsible for keeping up to date with the relevant information and are expected to follow the Club's rules displayed below.

Members and guests are required to wear conventional smart dress, which includes smart trouser suits, smart jeans (provided they are not ripped, stained, soiled or stonewashed), skirts and dresses. Casual shoes and smart, clean trainers, not designed or used for sports, may be worn in all areas of the Club (further guidance is provided on the table below).

In the Dining Room gentlemen are required to wear a jacket and shirt with collar and long sleeves after 6pm only on weekdays. At other times in the Dining Room and in all other areas of the Club a jacket is not required, and short-sleeved full button-fronted shirts or smart polo shirts are acceptable. Ladies are required to wear comparable attire.

Members and guests may not wear sportswear, vest tops, leggings (including jeggings), baseball caps, casual zipped or leather jackets, sweatshirts, or fleeces at any time in any areas of the Club outside the sports area. Members using the sports area will need to change before moving upstairs to the ground floor or other areas of the Club.
